5 Section 1. Purpose and Policy

6

7 The parties agree that recycling is important for environmental concerns. The  
8 Agency recognizes that it can make more efficient use of natural resources by  
9 maximizing recycling and preventing waste wherever possible. Any recycling  
10 programs established by the parties will be done in a cost effective manner. The  
11 administration will make every reasonable effort to see that employees are  
12 environmentally conscious.

13

14 Parties agree that revenue generated from recycling be used in accordance with the  
15 statute.

16

17 The issue of recycling will periodically be on the agenda of, and be dealt with at the  
18 National Level Union/Management Committee meetings.
